

Dear Colleagues,

The organizers of the ISC2020 are fully committed to support all efforts in curbing the COVID-19 virus pandemic. According to that fact, following the advice and guidelines from healthcare officials and authorities regarding COVID-19, and taking into account limitation in number of people at the same place, after deep consideration, Organizing Committee concluded that the only safe way of organizing the Conference is to move it to a **fully virtual on-line Conference**.

The participants are welcome to present their papers via an on-line platform (details for joining the scheduled conference sessions on Zoom platform will be available at official website).

Organizing Committee of the Conference

Poštovane kolege,

Organizacioni odbor ISC 2020 u potpunosti je posvećen pružanju podrške naporima u suzbijanju pandemije virusa COVID-19. U skladu sa tim, poštujući savete i smernice nadležnih državnih organa u vezi sa COVID-19, a imajući u vidu ograničenje broja ljudi u zatvorenom prostoru, nakon dužeg razmatranja Organizacioni odbor zaključio je da je jedini bezbedan način da se **konferencija ISC 2020 organizuje on-line**.

Učesnici će moći da prezentuju svoje radove putem on-line platforme (detalji pristupa Zoom platformi će biti objavljeni na sajtu konferencije).
